 - What you saw in calibration
 - Your client's feedback
 - Dilemmas and/or questions
 - Your learnings.
2. Practice the LIKE to DISLIKE technique.
After completing the practice, you are required to send a report to your mentor.
Send a written report to your mentor and address:
 - Sub modalities of column A and B
 - The polarity you saw
 - The way you interacted the sub modalities of column B into the Picture of column A
 - Your client's feedback
 - Dilemmas and/or questions
 - Your learnings.

Send the report in a WORD format.

Enjoy 😊
