

Medical Coaching Training Program

Module 2 – Process

Lesson 4, Class Assignment

Work with a fellow Medical Coaching student or PMC. It is recommended that you find a triad but if you cannot, work in a dyad.

1. Practice the "**Reframing Values**" technique.

Send a written report to your mentor and address:

- The way you got to the original value
- The way you elicited the positive learning out of each comparison
- The new name
- Your client's feedback
- Dilemmas and/or questions
- Your learnings

Send the report in a WORD format.

Enjoy 😊
