

# Medical Coaching Training Program

## Module 3 – Advanced

### Lesson 5, Class Assignment

Work with a fellow Medical Coaching student or PMC.

1. Practice the “**ACE**” technique.

Send a written report to your mentor and address:

- The pain issue the “client” presented.
- The way you followed the technique instructions. Include the content of the process.
- What you saw in calibration
- Your client's feedback
- Dilemmas and/or questions
- Your learnings.

Send the report in a WORD format.

Enjoy 😊
